About TEQIP-III

Technical Education Quality Improvement Programme of Government of India (TEQIP) is being implemented as a World Bank assisted project to improve the quality of technical education system in the country. It is referred to as TEQIP-III. The project is fully integrated with the Twelfth Five-year Plan objectives for Technical Education as a key component for improving the quality of Engineering Education in existing institutions with a special consideration for Low Income States and Special Category States (SCS) and support to strengthen few affiliated technical universities to improve their policy, academic and management practices.

About the seminar

The seminar is hosted by the students and for the students of the mechanical, civil, chemical and electrical engineering of Bineswar Brahma Engineering College, Kokrajhar. In this seminar, resource persons from well recognized national important institutions across India including IITs, NITs, TU, NEHU, CIT etc. The objective of this seminar is to assist the students about the importance of various Computational tools such as Mat lab, Sci Lab, Molecular Stimulation, Instrumentation and Data Acquisition, Emended System etc. Moreover the seminar will try fulfilling the aspiration of the participants in the area of technology enabling for the global trends

Topics to be covered

- 1: CLOUD COMPUTING
- 2: COMPUTER AIDED TISSUE ENGINEERING
- 3: COMPUTATIONAL METHEMATICS
- 4: COMPUTER PHYSICS COMMUNICATION
- 5: DATA MINING
- 6: ARTIFICIAL INTELLIGENCE
- 7: COMPUTATIONAL FLUID DYNAMICS
- 8: HUMAN COMPUTER INTERACTION
- 9: MEDICAL INFORMATION / BIO INFORMATION
- 10: APPLIED OPTIMIZATION
- 11: IMAGE PROCESSING
- 12: MANET-Mobile Adhoc Networks
- 13: WIRELESS SENSOR NETWORKS

REGISTRATION DETAILS

Registration fee can be paid by Online/ Demand draft/ in favour of IR and DC BB Engineering College. Payable at Kokrajhar (A/C no. 35566740384), IFSC Code: SBIN0007379, MICR Code: 783002303, Branch Code – 07379, Branch: North Kokrajhar.
